

SCREENING SOLUTIONS BUILT TO MEET YOUR BIGGEST CHALLENGES.

You do the hard work to keep your company thriving. You deserve to find and retain the perfect person for your towing and restoration company, worry-free.

For over two decades, **CastleBranch** has defined technology-driven screening solutions to specifically address the challenges of organizations just like yours.

As champions of best practices, we thrive on decades of unparalleled resources and expertise that no one else in our industry can rival. We are hundreds of industry experts, all located—by design—at our single-location headquarters in North Carolina, each dedicated to bringing worry-free insights and efficiency to your organization.

THE CASTLEBRANCH DIFFERENCE:

- An exclusive, easy-to-use online portal that gives you quick access and visibility into applicant tracking and order results.
- Accurate industry-specific services that ensure your employees are carefully screened—reducing your liability and ensuring FCRA compliance.
- A 400+ member team built of subject matter experts, support, implementation and onboarding specialists, engineers, operations members, and our own in-house legal team, all 100% committed to your satisfaction and success.
